

SPARK-SD NETWORKING EVENT

Join us for Supporting Peers and Raising Knowledge in San Diego (SPARK-SD)'s summer networking event!

SPARK-SD is a peer-to-peer support and networking group for individuals who work with older adults in San Diego.

Whether you're in social work, public health, healthcare, or community-based services, SPARK-SD provides a welcoming space to share resources, gain fresh insights, and foster meaningful connections. This is an open invitation to all staff interested in building a stronger, more collaborative community.

With SPARK-SD, we are fueling connecting & lighting the way forward together.
